Fundraising Why?	The SMC is a small volunteer-based, Not-for profit organization that provide Skate Canada programs instructed by NCCP coaches. The ice fees charged only covers a portion of overall operations costs. We are not a MLC or Town of Morinville run program therefore our ice costs are not subsidized by the local government. Fundraising is very important and we run an annual silent auction, along with other yearly fundraisers. We asked for your continued support in these fundraising activities. Any donation would be greatly appreciated. 32 Auctions: https://www.32auctions.com/SkateMorinvilleClub2025 FlipGive: Download the FlipGive app at https://www.flipgive.com/app?joincode=TSXQZW Join online at https://www.flipgive.com/teams/join?fundraiser_name=Skate+Morinville+Club&joincode=TSXQ

Skater's Etiquette and Guidelines	All skaters shall demonstrate good sportsmanship, courtesy and respect towards others, both on and off the ice. This code is put into place for the safety of the SMC skaters and coaches. GENERAL Skaters must not go on the ice until the Zamboni has left the ice and the Zamboni gate has closed. Skate guards are worn when the skater is off the ice. Do not ask the advice of a coach about your skating problem during another skater's lesson. Skaters shall use appropriate language at all times. Swearing or the use of abusive language is not acceptable. Use of inappropriate language will result in the skater being asked to leave the ice. CONDUCT Skaters must be aware of all other skaters on the ice and maintain a safe distance from them. Pushing, tripping, horseplay or intentional interference of other skaters is absolutely forbidden. Skaters will be asked to leave the ice. Skaters must ask permission from a coach or club official prior to leaving the ice for any reason. Skaters are expected to stay on the ice for the duration of a session, including group programming. The coach has the right to refuse re-entry of a skater who has left the ice without permission. Gum, candy, or food is not permitted on the ice. Water in a non-breakable container is allowed however minimal on-ice hydration is needed if skaters hydrate appropriately 30-60 minutes prior to skating. There will be no loitering along the boards or sitting in the player's box. Excessive loitering or talking on the ice (including the music box), will result in one verbal warning and then the skater will be asked to leave the ice for a second infraction. Skaters must get up quickly after falling. No use of ear buds while skating. No use of Smart/Cell Phones in Dressing rooms or On Ice for video/pictures. No touching or moving of others personal property without approval in dressing rooms. Skaters are expected to be on time for all on-ice and to train throughout the entire session. In order for skaters to reach their full potential, it is expected that they attend all on-ice sessions for their level on each day they skate. Parents are not permitted to enter the rink area during a skating session unless assisting with skate tying or at the request of a coach. Please do not interrupt coaches while they are coaching. Parents may not talk to the skaters on the ice. Interrupting focus during a moving session is considered hazardous and disruptive. It is unacceptable to coach your child or anyone else's child during any session.
